filter

**A** **Age filter**  
This search filter for driver's age is new.  
Default age range is "25+".

**B** **Button**  
onClick: goes to the following screen shown at right.

**C** **Title**  
This will be something like "Select driver's age".

**D** **Radio buttons**  
The options for driver's age are:  
- 25+ (default)  
- 21-24

**E** **Copy**  
Line of text explaining that we do not rent cars to drivers under 21.

**F** **Button**  
onClick: goes to Search Results

billing-travinfo (25+, 21-24)

**A** **Copy and link CONDITIONAL**  
This copy and link appear as the default. If the user has changed the age filter to 21-24, then they see different copy (shown below).

onClick: goes to the following screen shown at right.

**C** **Page title**  
This will be something like "Drivers Under 25".

**D** **Copy**  
Explanation of our policies.

**E** **Button**  
onClick: goes to Search Results and sets the age filter to "21-24".

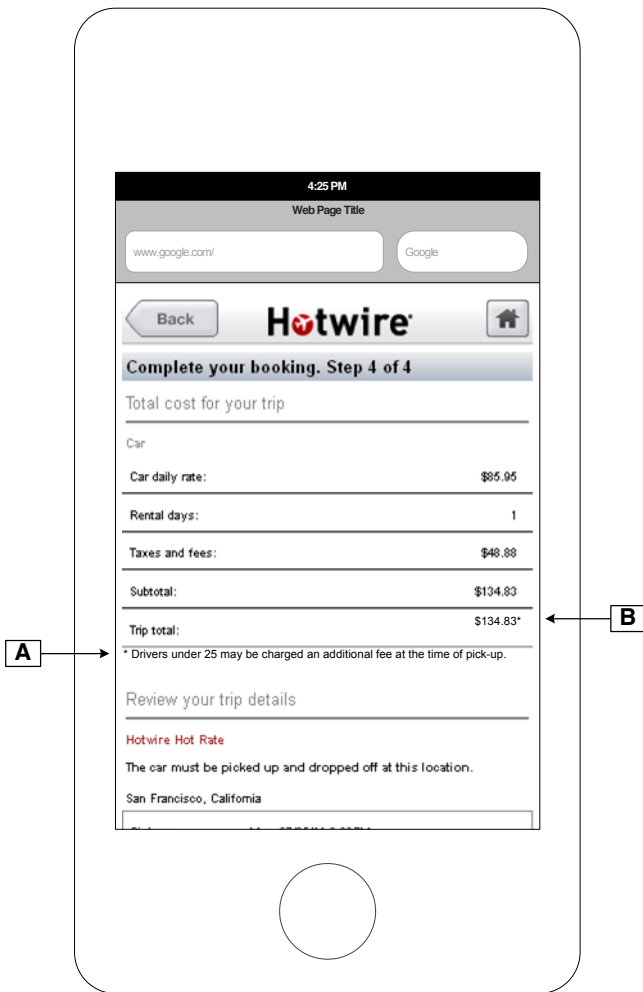

**B** **Copy CONDITIONAL**  
If the user has chosen the "21-24" filter, then this "over 21" version of the copy appears. Otherwise, the "over 25" version of the copy appears.
